Born in 1908, she became a warlord's concubine and was fairly happy until she was killed in civil strife in 1934 at the age of 26. Somehow she found herself reborn as a ghost and since then she has travelled the world living the high life with the aid of her ghostly abilities.

She appears to be a pale, incredibly beautiful Chinese woman in her mid-20's, but her skin is noticeably cold to the touch (she usually wears gloves to disguise this). She is usually found dressed in the absolute height of style and fashion.
